BAKER COUNTY JOB OPENING

DEPARTMENT: Health

POSITION: **Full-Time/Part Time Community Health Nurse**

Salary Range: \$4,575 - \$5,563 per month, DOE and Full-Time Equivalency (FTE)

Summary

This classification provides skilled public health nursing services at a variety of clinic and community settings in these program areas: parent and child health, nutrition, family planning, communicable and chronic disease. The community health nurse assesses needs of individuals, families, groups, and determines a plan to meet those needs, implements the plan, and then evaluates the results. The emphasis is on promotion of health and prevention of disease. The community health nurse frequently is the primary health advisor to a family.

Examples of Essential Job Duties:

- Provides nursing services to clients through State and County programs
- Provides nursing services to schools and parents in health screening, immunizations and health education classes.
- Establish and maintain client record keeping.
- Additional duties may apply depending on experience.

Education, Experience and Training

Associate's degree in nursing with coursework emphasis in public health and progressively responsible work experience in a public health setting. At time of appointment, must possess current Oregon Registered Nurse License and valid Oregon driver's license. Please contact the Personnel office for more information.

*A complete job description and application is available upon request or online at:
