Caption 10 words which reasonably identifies the subject of the measure. Local option tax rate for Pine Eagle Health District	
Question 20 words which plainly phrases the chief purpose of the measure. Shall District impose 0.85 per \$1,000 of assessed value local option rate for general operations for five years beginning 2020-2021? This measure renews current local option taxes.	
Summary 175 words which concisely and impartially summarizes the measure and its major effect. The main function of the District is to provide healthcare within its boundaries. The District will use the revenue from the local option tax rate for general operations to ensure that a medical provider be available at the Pine Eagle Clinic. Without this additional revenue the Clinic will not be able to ensure a medical provider is available to the residents of the District. This measure proposes a local option tax rate, not to exceed \$0.85 per thousand, beginning fiscal year 2020-2021. The proposed rate will raise approximately \$140,000 in 2020-2021, \$143,600 in 2021-2022, \$147,100 in 2022-2023, \$151,000 in 2023-2024 and \$153,500 in 2024-2025, for a total of \$735,200.
